Just letting you know about things going on in Riverbay - published *whenever* by Riverbay Association

## RIVERBAY FEEDBACK

August 16, 2024

• **Mark Your Calendar.** Riverbay Association's Annual Meeting is scheduled for Saturday, October 5<sup>th</sup> at 10 AM. The meeting will be held in the Chatham Community Center. This year our featured speaker will be Tim Wood: editor, webmaster, and photographer of the Cape Cod Chronicle newspaper. Tim is familiar as the guide of "Chatham Walks" and most recently, for his documentary film presentation; "No Refuge: Cape Cod's Coastal Crisis". Riverbay Members will not want to miss attending the Annual Meeting.

• **2024-2025 Membership.** Riverbay Association will be implementing an online dues payment system this September. Look for more details in a letter you will receive from the Board.

• **Beautification News.** On June 7<sup>th</sup> the Association planted an Eastern Redbud tree at the intersection of Potonumecot Road and Wonkapit Way - in front of "The Rock." The Spring Membership Challenge was successful - our membership total rose to 277 members. This increase provided the funds to enable the Association to plant a tree in a Riverbay location that would benefit. Thanks to Jane Seymore and Paula and Noble Hansen for keeping the tree watered.

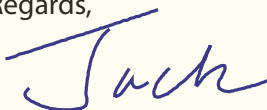

• **Are You Interested in Trout and Pickerel Ponds?** The Association is interested in Riverbay's beautiful kettle ponds. We have had water samples tested on June 12<sup>th</sup> by APCC. The ponds are clean and healthy. The report will be posted on riverbay.org. Some members are participating in APCC's Cape Cod Pond Watcher Bio-survey program. If you are interested in learning more about this program, information will be posted on Riverbay.org

How deep are the ponds? That information doesn't exist yet. We are planning to determine the depth this summer.
