## RIVERBAY CROSSWORD PUZZLE

### Clue by Clue Explanations

The following is a detailed explanation about how to find the correct words to complete the Riverbay Crossword Puzzle.

The first thing that would be helpful in solving the puzzle is to find a map of Riverbay and a list of the roads in Riverbay. Both can be found on the Riverbay website ([www.riverbay.org](http://www.riverbay.org)) in the first column under the "About Us" tab. Many of the words in the puzzle are the names of the roads in Riverbay.

Also, note that the instructions state "Hint: When you research on-line, Google search is recommended."
