Just letting you know about things going on in Riverbay - published *whenever* by Riverbay Association

## WELCOME BENCHES

Three new “park” benches are a welcome addition in Riverbay.

The benches are convenient stopping places for strollers, walkers, runners and dogs to take a breather - to tie a shoe, send a text, chat with a neighbor, give a dog a snack, or do a myriad of other tasks. The benches complement the friendly, rural atmosphere of the Riverbay neighborhood.

## BENCH INSTALLATION

The new benches were a collaborative effort between Riverbay Association and Chatham Boy Scout Troop 71 as part of an Eagle Scout Community Service Project to enable Paul Carlson to achieve the rank of Eagle Scout.

The project was paid through fund raising by the scouts and from donations made to Riverbay Association. The benches, on Town property, were enthusiastically approved by the Chatham Select Board.

## MORE BENCHES

There are more locations in our Riverbay neighborhood that would be ideal for installation of a bench. Riverbay Association looks forward to adding more benches based on the funds that are donated for purchasing and installing them.
