

RIVERBAY Happenings #30

Just letting you know about things going on in Riverbay - published *whenever* by Riverbay Association

September 1, 2023

Hello to all Riverbay Friends and Neighbors,

For those of you whom I've not met, I'm Jack Scheld, President of Riverbay Association. I have lived at 206 Joshua Jethro for the past nine years - enjoying the Riverbay neighborhood as a wonderful place in which to live.

During this past Spring and Summer, the Association has been busy with many activities: The three gardens at our entrances are blooming. New benches for walkers and runners are in place at Pickerel Pond and Riverview, Lakeview and Park, and Potonumecot and Wonkapit. The May Yard Sale was a big success for many home owners. Our June Social was well attended. And, two weeks ago, the Sound Dunes performed at our August Social to a large gathering of Riverbay residents.

Our Riverbay Association Annual Meeting will be held at the Chatham Community Center on Saturday October 14 at 10am. You will receive more details later, but please hold this date and plan to attend.

The Association's officers and board members are very interested in receiving feedback from our members. You can help us. Would you please reply to this email with your opinions and comments about the following:

- **What is your opinion about the various activities that are currently being performed or offered by Riverbay Association? How are we doing?**
- **What additional activities would you like to have the Association perform or offer? What other events should we sponsor? Would you like more benches at other locations in Riverbay?**
- **Please make any additional comments. Be sure to include your name and address so that we can reply to you.**

Finally, please note that you can email me at anytime: president@riverbay.org. I will answer you promptly. Thank you.

Regards,
