

RIVERBAY Happenings #39

Just letting you know about things going on in Riverbay - published *whenever* by Riverbay Association

A SPECIAL INVITATION to Join an Exclusive Riverbay Online Presentation via Zoom

When: Tuesday, March 5th at 6:00 p.m.

Topic: “A Cape-Friendly Landscape ~ Design and maintenance, mindful of nature” Our landscapes and gardens play an important role in the health of the Cape’s environment. Our choices in what we plant, how we design, and the land care practices we employ—they all make a difference! Hear about things you can do that will support pollinators, birds, and butterflies, and that will also provide you with beauty and personal enjoyment.

Hosted by Riverbay Association, this online presentation will be conducted by Kristin Andres, Associate Director for Education for the APCC. Kristin previously worked for the town of Chatham as its first Conservation Agent for more than 15 years. She writes a biweekly column for the *Cape Cod Chronicle*. Kristin describes herself as slightly obsessed with observing and photographing pollinators, plants, and other wild critters. She's a native plant enthusiast, promoting the use of native plants.

How to Participate: When the time comes on Tuesday, March 5th, click on (or copy and paste) the Zoom link below and enter the passcode if prompted. You can use your computer, tablet or mobile phone to access.
